In September 2020, the Village of Lake Bluff will turn 125 and we plan to celebrate this event all year. The Lake Bluff 125<sup>th</sup> Anniversary Committee is already hard at work organizing fun activities, including:

- A Community-wide party on September 26<sup>th</sup> 2020, complete with fireworks, music and food.
- An entertaining Variety Show highlighting the history of our quaint, quirky Village and its residents and neighbors (remember the "Follies" from our 100<sup>th</sup> birthday?)
- Special events including Dogs on the Bluff Art Exhibition, Beach Clean Up & Bonfire for Teens, Winter Day for Kids and a Community Day of Service.
- A legacy gift, consisting of a Lake Bluff History Walk map, app and historical markers throughout the Village.

***We need your support to make these community events possible.*** You and your family can share in the celebration by becoming a donor. Please turn this page over to see how you can help be a part of these exciting community activities.

Watch for a Lake Bluff 125 calendar which will have more details, dates and sign-up information for these special events.
